

A hiker with a backpack is walking away from the camera on a rocky trail through a dense forest. The hiker is wearing a grey t-shirt, khaki shorts, and a black backpack. The trail is made of dirt and rocks, and the forest is filled with tall evergreen trees and lush green undergrowth. The scene is captured from a low angle, emphasizing the hiker's journey into the wilderness.

Camping + Outdoors

Study + Creative

DIY + Trade

A person with dark hair in a braid, wearing a yellow and black backpack, is seen from behind, walking along a dirt path through a lush green mountain valley. The valley is filled with wildflowers and surrounded by steep, forested mountains under a cloudy sky. The Energizer logo is visible in the upper right corner of the image.
